**RE: NOTIFICATION OF STATEMENTS ON
DIETARY SUPPLEMENT LABELS
PER DSHEA REGULATIONS**

Infinity², Inc. (address listed above), a U.S.-based distributor of nutritional supplements, is making the following nutritional support statements on its product labels:

Infinity²'s Essentials For Life 1

"Whole food vitamins are essential to the creation of energy. Amino-acid chelated minerals promote stronger bones, healthy hair, skin and nails, and help maintain firm muscle tone. Antioxidants help protect you from the serious health risks of free radical damage caused by pollution, toxins, and stress."

Infinity²'s Essentials For Life 2

"Digestive enzymes allow your body to receive maximum nutrition and energy from your food. Friendly flora strengthens your body's immune system and supports your overall health. Chelated Chromium assists your body with the digestion of fats and the regulation of sugars, both keys to maximizing energy levels and eliminating excess fat."

Infinity²'s Chelated Mineral Complex

"To support energy and stamina levels, and to assist in developing stronger bones, healthy hair, skin and nails take Infinity²'s Chelated Mineral Complex."

Respectfully,

Stan Bynum, Ph.D.
Director of Research and Formulation
